

DESCRIPTIVE ANALYSIS

Ignacio Leal Sánchez 100495680

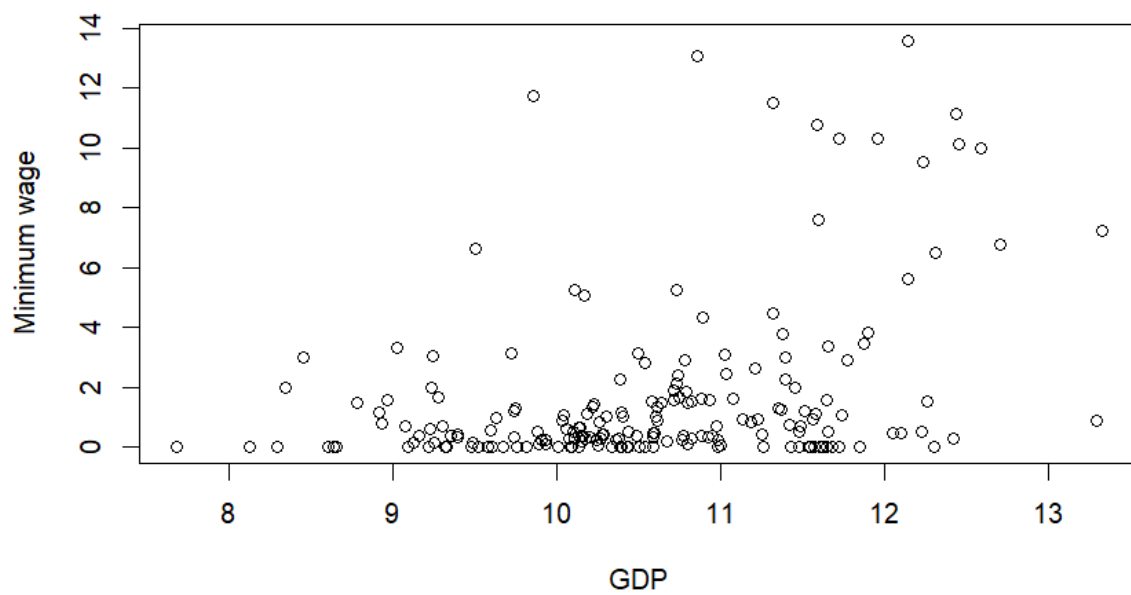

Alberto Pascau Saez 100495775

This is the distribution of the base 10 logarithm of the GDP of the countries.

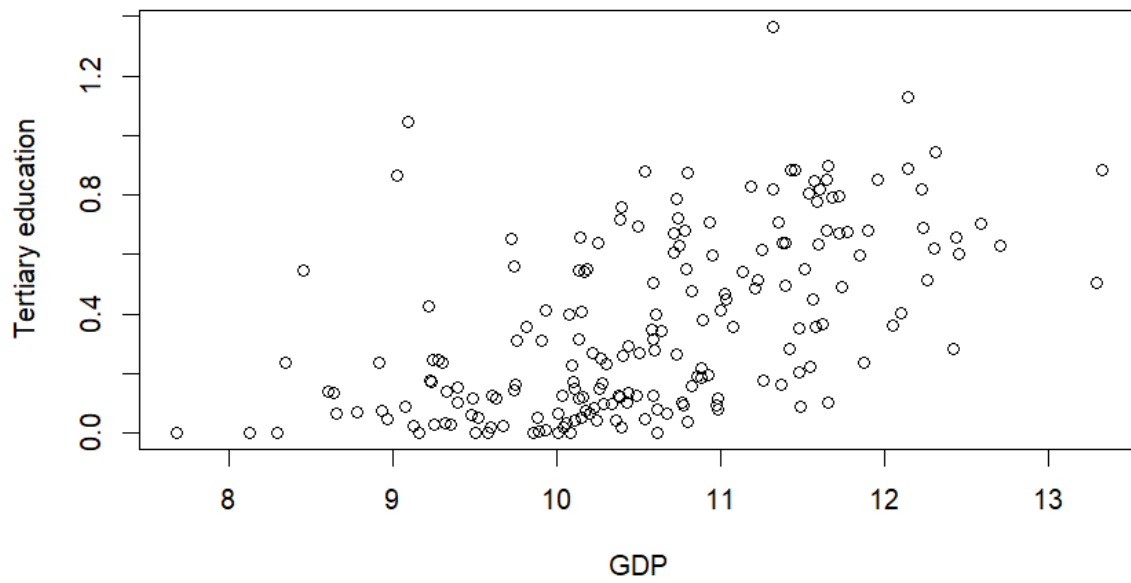

Distribution of GDP

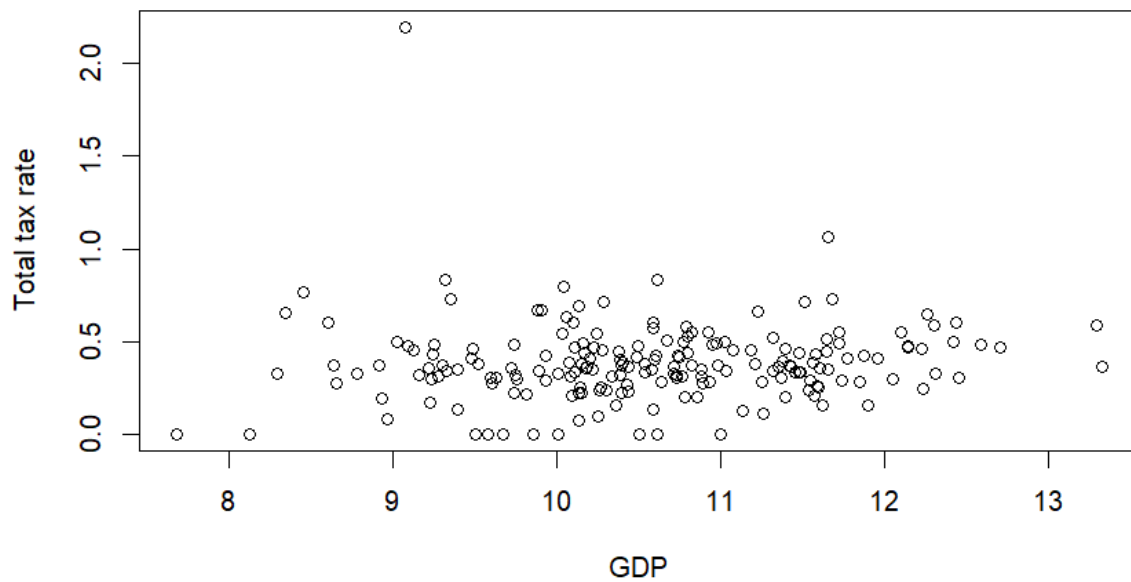

This is the relation in a scatter plot of the Minimum wage and the GDP

This is the relation between the Percentage of Tertiary education enrollment and the GDP

This is the relation between the Tax rate and the GDP

This is the table with the correlation and covariance of the variables

	GDP	Tertiary education	Minimum wage	Total tax rate
GDP	1.06664887	0.170258870	1.05296127	0.013054047
Tertiary education	0.17025887	0.088278743	0.34228410	0.003817841
Minimum wage	1.05296127	0.342284099	7.68702297	-0.010710177
Total tax rate	0.01305405	0.003817841	-0.01071018	0.048290422
	GDP	Tertiary education	Minimum wage	Total tax rate
GDP	1.00000000	0.55484405	0.36772450	0.05751802
Tertiary education	0.55484405	1.00000000	0.41550817	0.05847353
Minimum wage	0.36772450	0.41550817	1.00000000	-0.01757871
Total tax rate	0.05751802	0.05847353	-0.01757871	1.00000000
